Meeting 1 with Designer (Emma)

- An informational page in a fun fact-ish way (allow for people who know nothing about beekeeping to feel like they can learn something from this site)
- Pages: (all listed with text on Topic and Content outline pdf)
    - Home page
    - Origin
    - Pioneers of Beekeeping
        - Timeline-esque
        - List of names and what they did
        - Chronological order
    - Modern beekeeping
        - Scrollable vs. columns
        - Test to see which would look better
    - Save the bees
    - Sources
- Creative:
    - Honeycomb pattern covering whole background
    - White box with black text in them
        - Try making white box a honeycomb hexagon instead
